RISK ADJUSTED STRATEGY
25 APRIL 2020

REQUEST FOR COMMENTS

A SCHEDULE OF SERVICES TO BE PHASED IN AS PER THE COVID-19 RISK ADJUSTED STRATEGY

This document serves a draft framework for the risk-adjusted strategy to bring different sectors of the economy back to work.

Classification of sector follows the Standard Industrial Classifications (SIC) as published by Statistics South Africa. Where an entire division is permitted, it should be assumed that all subgroupings are permitted as well. Where only certain subgroupings are specifically permitted within a division, it should be assumed that other subgroupings are not.

In the document, when moving between levels, the **green text** means additions or changes from the prior level. For example, Level 4 adds forestry, logging and related services to Agriculture. It is now market in green in Level 4.

Sectors and business organisations / trade unions are invited to submit comments on the schedule of services to be phased in as per the Covid-19 Risk Adjusted Strategy (RAA) to be implemented with effect from 01 May 2020.

Feedback should be submitted in writing for Level Four only and following the attached guidelines. Completed submissions must be returned via email to nervecentre@cogta.gov.za by 12h00, on Monday, 27 April 2020.
