

Directions: FSA Head Office Johannesburg via Gautrain

1. Upon exiting O.R.Tambo's local arrivals, turn right and follow the direction to the Gautrain station, located in the airport.
2. You will need to buy a Gautrain card and load money on it at the Gautrain station, it roughly costs R178 from OR Tambo to Rosebank station, so load R400 to accommodate for the return.
3. You will need to change trains once; this can be done at either Marlboro or Sandton station. Upon departing the train, ask for directions to the platform where the Rosebank train departs.
4. Upon arrival at Rosebank station, take the south exit to the busses.
5. After the exit gates, turn right and walk up the stairs.
6. Once at the top, walk straight ahead and you will find the busses.
7. Ask for the Ilovo bus (RB3).

Please note: You will need to get off at the Thrupps Centre stop, stop 8, but not every bus will stop at all the stops – so don't assume you can simply count the stops!

Ask the bus driver as you get on the bus to stop for you at the Thrupps Centre, stop 8.

As you get off the bus, FSA Head Office is in the Thrupps building right in front of you, in the South Block.

At the doors, press the FSA button and Precious will open for you.

Come up to the second floor, taking the corridor to the left as you exit the elevator.

Keep on walking till you reach our offices on the right.
